

Foundation for Rural Service Scholarship Available to High School Seniors

Star Communications is pleased to announce the Foundation for Rural Service Scholarship, which we will be participating in again this year. As stated by FRS, "The Foundation for Rural Service (FRS), in cooperation with NTCA – The Rural Broadband Association, seeks to sustain and enhance the quality of life throughout rural America by advancing and understanding of rural telecommunications issues. Through its various programs and initiatives, FRS strongly supports the continuing education of rural youth." There will be several \$2,500 scholarships awarded in different regions of the United States. Competition for one of these scholarships is quite strong; however, we would love to see a student from our service territory be chosen as one of the recipients!
